

Plastic Retractable Belt Barrier are a top quality stainless steel queue stanchion that we are now making available as a cheap alternative to other retractable belt barriers on the market. They are perfect for organizing lines, queues or to section off an area of your floor space to restrict public access. They feature a tough retractable belt made of woven nylon and a weighted base that makes them very difficult to topple. Requiring simple self-assembly to combine post and

### Features

1. Made of Stainless Steel or colorful durable plastic;
2. 2 meter or 5 meter retractable tape;
3. Heavy base for maximum stability;
4. More color for options;
5. Simple and quick assembly using single tool provided;
6. Low center of gravity reduces possibility of barrier being pushed over.
